PROFESSIONAL SUMMARY

Computer Science Engineering graduate with skills in Java, Python, JavaScript, React.js, Node.js, and SQL. Experienced in developing web and AI-based applications with knowledge of SDLC, REST APIs, testing, debugging, and database management. Strong problem-solving and communication skills with a passion for building scalable software solutions.

PROJECTS

AI Medical Chatbot (Intern – NullClass)

June 2025 – July 2025

- Developed an AI-powered medical chatbot using **Python, Streamlit, and NLP techniques** to answer healthcare-related queries through an interactive web interface.
- Implemented **keyword-based question** matching and response retrieval mechanisms to provide relevant medical information and improve user experience.
- Built a feedback and **analytics dashboard** to track user queries, satisfaction ratings, and chatbot performance, enabling data-driven improvements and system monitoring.

Appointment Booking System – Web Application

February 2026 – April 2026

- Developed a full-stack salon appointment management system using **React.js, Node.js, Express.js, and MongoDB Atlas**, enabling online service booking, appointment scheduling, and customer management.
- Integrated **Razorpay payment gateway**, dynamic slot availability management, and automated email notifications for booking confirmations, reminders, and appointment updates.
- Built an **Admin Dashboard** with booking approval workflows, revenue analytics, customer tracking, live appointment monitoring, and reporting features to streamline business operations.

EDUCATION

Bachelor of Engineering in Computer Science

November 2022 – May 2026

Grace College of Engineering, Thoothukudi, Tamil Nadu

CGPA: 8.59

Class XII

June 2021 – May 2022

Holy Cross Girls Higher Secondary School, Thoothukudi, Tamil Nadu

Percentage: 86.67%

SKILLS

- Programming Languages:** Java, Python
- Web Development:** React.js, Node.js, HTML, CSS, JavaScript, SQL
- Databases:** MongoDB, MySQL
- Data Science & AI:** Data Preprocessing (Pandas, NumPy), Machine Learning Basics, NLP Basics, Generative AI, Prompt Engineering
- Soft Skills:** English Communication, Problem Solving, Team Collaboration, Adaptability, Quick Learner

CERTIFICATIONS

- Artificial Intelligence Primer Certification – Infosys
- Principles of Generative AI Certification – Infosys
- Java – AL-Salaam Institution
- Web Development – AL-Salaam Institution
